

EXPERIMENT-1: FLIGHT RESERVATION SYSTEM

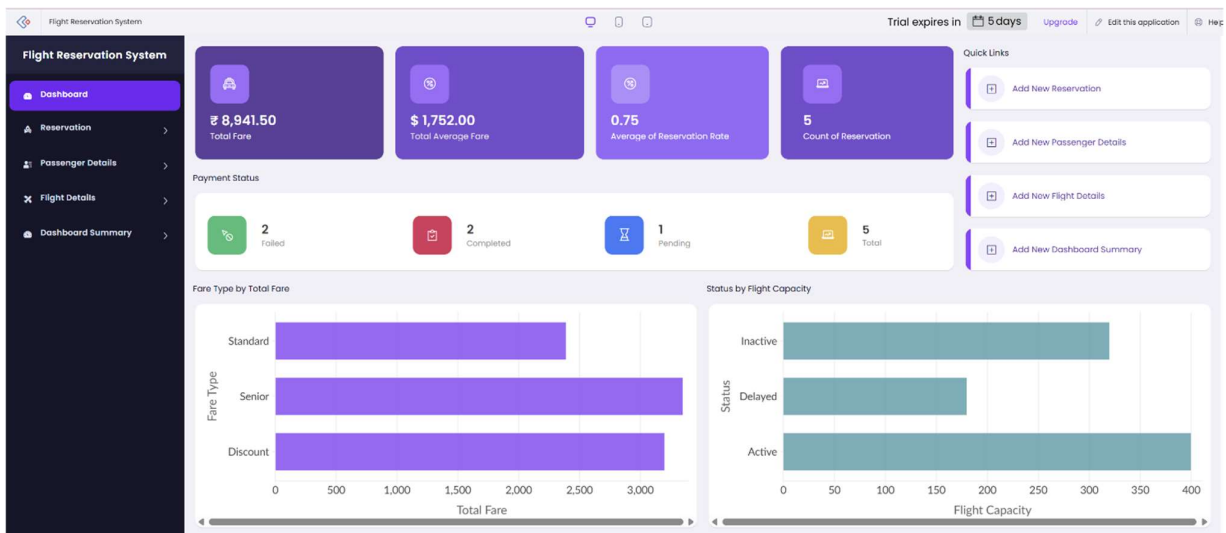

AIM

To develop a cloud-based Flight Reservation System using Zoho Creator for booking domestic and international flights online.

ALGORITHM

1. Open the Flight Reservation application in Zoho Creator.
2. Enter trip type (One Way/Round Trip).
3. Select From and To locations.
4. Enter departure and return dates.
5. Choose travelers count and class type.
6. Select fare type and flight category (Domestic/International).
7. Submit the form and display available flight details with booking confirmation.

EXPERIMENT-7:STUDENT'S ATTENDANCE SYSTEM

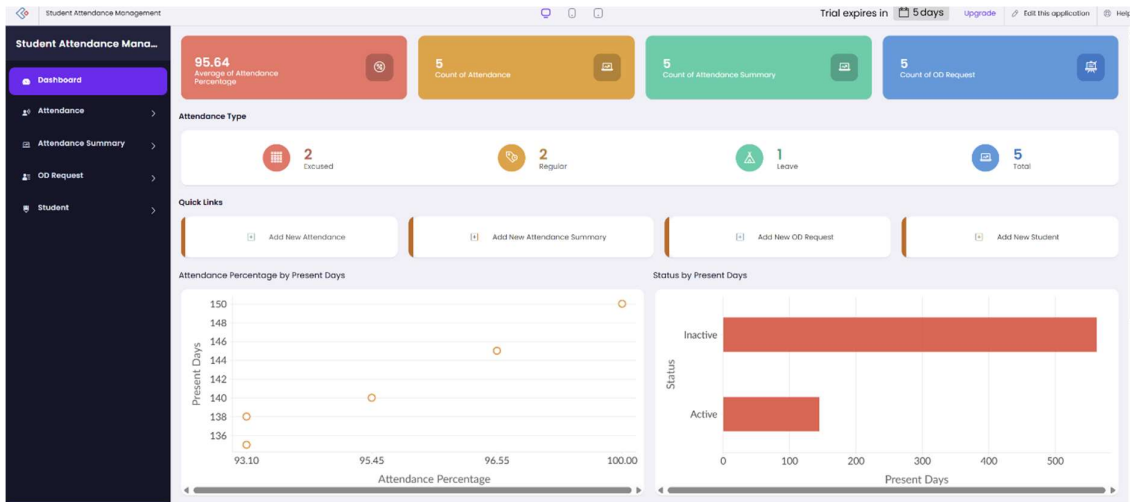

Aim

To develop a cloud-based Student Attendance Management System using Zoho Creator.

Algorithm

1. Open the Attendance application.
2. Enter student and course details.
3. Mark attendance status.
4. Record present and absent days.
5. Process OD requests.
6. Calculate attendance percentage.
7. Generate attendance report.
